

As these names have now been located,
And duly brought to attention —

The original family in question has been formally notified —

However —

Those names have since been refused reintegration —

By their own family —

Who have further proceeded to block all forms of contact with me.

Kindly refer to —

Attachment File No. 3.

This E-mail is for your lot's information only —

Those names,
Once lost to History,
I have successfully retrieved them through,
The 'Official Records' of wartime documentation.

For the recollection of your lot's collective memories —

Should you lot still possess any,
Of course,
Concerning what those names once experienced,

I have been instructed to review 'Three' films,
During my own birthday observance.

My appreciation —

Profoundly so.
Truly.

'Three' —

What an intriguing number.
Most curious,
Indeed.

Firstly,
'Schindler's List'.

An actor of considerable handsomeness and height,
Performing with elegance and charm,

Entirely unlike the Boy,
Or,
Perhaps my understanding of 'Elegance' —

Has suffered a cognitive fracture.

Should that be the case,
Do be so kind as to inform me by return E-mail,
For I would be most grateful to correct such deficiency myself.

My deepest appreciation,
Surly.

The city in which the film is set —

Coincidentally,
Is the very same city,
Whose name I rediscovered in late November 2030.

Secondly,
'The Pianist'.

Piano —

The musical instrument —

I once dreamt of learning as a child,
As the Boy himself once mentioned to me.

The city in which this film is set—

Happens also to be the very city,
Where those names were last recorded as residing,

And where their information was printed —

As written in the Boy's mother's father's autograph upon each record,
In late November 2023,

In a language —

Which you lot might consider my mother tongue,
Though I could neither speak nor read it,
Even in my dreams.
Naturally.

Thirdly,
'The Last Days'.

A film I was,
In fact —

Compelled to watch,
Long,
Long
Long before I emigrated to Amsterdam —

For the Boy,
Only,
Yes.

The concentration camps depicted therein correspond,
Most coincidentally —

To those whose names appear most prominently,
In 'Chapter V-II' of the Record,
'Shi Co Ya He • THE DOOR THAT WAS CLOSED IN THE FURY OF
THE LORD'.

Those same camps I revisited in late November 2023,
Using methods —

That you lot would likely describe as unacceptable —

Indeed,
Profoundly evil —

As you lot are fond of attributing to what you lot call a ‘Witch’.

Am I correct?
Or —

Is that too generous an interpretation of your lot’s usual judgement?

Quite ordinary,
In truth,
Upon my own land —

So ordinary it scarcely merits mention.

So very interesting.

I remain,
Of course —

As you lot so evidently perceive me,
Ignorant of this Earth,
And,
Woefully lacking in knowledge.

Am I not?
Ugh.

And furthermore —

Considering your lot’s habitual,
Inclination towards ceaseless questioning.

Yes —

What I have written above is,
Entirely substantiated beyond,
What reality itself seems capable of sustaining.

All 'Evidence' originates from objective third-party applications —

WhatsApp records —

In English,
Complete with timestamps,
Naturally.

You lot are very welcome.

Since the Boy invited me upon that journey to understand his 'Roots' —

And,
Subsequently required me to trace his family,
Long lost to History,

Do not forget —

Should I have discovered anything that she herself could Not,
That,
Apparently —

Is the method by which,
I was to be rendered acceptable to the Boy's mother.

A 'Gentle' presence.
Unqualified,
Of course.

My most sincere apologies,
For the misfortune of my birth.

Truly —
I am sorry.

The Boy once informed me that —

His mother told his niece,
The night before,

That she had accepted me as her 'Daughter',
On 5 March 2025.

A rather beautiful ‘Covenant’,
Is it not?
Ugh.

For your lot’s convenience —

All ‘Evidence’ has already been meticulously organised,
And colour-coded,
For your lot’s effortless comprehension.

I assume —

That you lot may feel inclined to label me ‘Anti-Semitic’,
As the Boy has so consistently done,

With reasoning so charmingly fragile
That one,
Almost admires the persistence of it.

I require NO lawyer upon this global stage —

Only a translator.

My deepest gratitude for that alone.
Truly,

It would be most delightful.

Kindly verify your lot’s understanding —

Before booking any flights.

The designated landing airport is —
Taiwan,
Taipei,
Taoyuan (TPE).

My contact information —
Has been made entirely transparent across those ‘Evidence Only
Websites’,
Long,
Long,
Long ago.

My personal information —
May be obtained by command from The so-called LORD,

On the very first page of the Record,
‘Shi Co Ya He • THE DOOR THAT WAS CLOSED IN THE FURY OF
THE LORD’.

The Appendix —
In English —
Contains my ‘Birth Certificate’.

Complete with official seals and certifications —

From the Taiwan District Court,
The Taiwan Ministry of Foreign Affairs,
And,
The Netherlands Consulate General in Taipei.

If you lot are Reading —

The English version —
It is on Page 586.

The Ancient Hebrew version —
Page 566.

The Modern Hebrew version —
Page 595.

You lot are more than welcome.

All of this,
Of course —

Assumes you lot have actually begun,
To ‘Read’ at all.

I would wager —

Though ‘Not’ with The LORD —

That you lot have Not.

Do I lose that wager?
Perhaps not.

And should you lot find my tone objectionable —

Unfortunately,

This remains,
The finest manner I am capable of presenting.

Clearly —

That you lot have never witnessed,
The attitude of The Holy LORD Himself.

Ah —

My mistake.
Please accept my most sincere apology.

What you lot are,
In fact,

Witnessing —

Is the attitude of those names once lost to History —

And,
Of those few —

Who still carry the ‘Faint’ —

And,
Rather inconvenient ‘Hope’ —

Of one day being found —

Again.

The accompanying file is —

As you lot shall observe —

Merely the original correspondence,
I had once dispatched to various international archives —

In pursuit of their most gracious assistance.

The complete dossier —

Regrettably,
Is of such considerable magnitude,

That it CANNOT be conveniently divided —

And,
I must —

Therefore,
Respectfully direct your lot's attention,
To Attachment File No. 2.

Hallelujah.
